

2021/2022 Planetary Society Adventures

GALAPAGOS ISLANDS LUNAR ECLIPSE • May 11-20, 2022

Come discover the Galapagos Islands on board the 100-passenger vessel, M/V Legend, and see the Total Lunar Eclipse May 15, 2022. With leadership by excellent Galapagos guides and popular Planetary Society and Betchart astronomer Dr. Tyler Nordgren, this will be an exceptional experience.

For Info, please contact Betchart Expeditions Inc., (800) 252-4910, or email info@betchartexpeditions.com
