Please join us for an amazing sailing adventure to the islands and coast of Panama and Costa Rica, on board the 4-masted Tall Ship, *Star Clipper*.

It is the identical sister ship to the 360-foot Tall Ship we used for our Caribbean Voyages in 2022, the Atlantic Crossing Eclipse trip in 2013, and our Tahiti voyages.

There is nothing like it.

Come join us now for another splendid adventure!

We would like to share the delight of traveling on board Star Clipper with you, as we discover the natural treasures of Panama and Costa Rica.

The itinerary will include:

- *Sailing from historic Balboa*, where the Panama Canal meets the Pacific Ocean, into the Gulf of Panama!
- *Discover the waters and beaches of San Jose Island* - the second largest of the Pearl Islands, just 90 km from Panama City.
- *Iguana Island* - With a beautiful white sand beach, Iguana Island is a wild-life refuge with marine birds, crabs, and iguanas. It is great for snorkeling or hiking to look for nesting birds.
- *Marine Park Golfo de Chiriqui & Parida Island, Panama* - this marine park protects 25 islands and 19 coral reefs, home to nesting sea turtles and 280 recorded bird species. Snorkel, surf, or kayak in the calm waters, or take an optional big game fishing trip.
- *Golfito, Costa Rica* - this port town was built on bananas. Today it is a gateway to surfing, sport-fishing, horseback riding, kayaking, and exploring mangrove forests.
- *Quepos & Manuel Antonio National Park* - A jewel of the Costa Rica national parks, where sloths, monkeys, and a profusion of tropical birds may be seen.
- *Islas Tortugas* - the most beautiful island in Costa Rica, with giant coconut palms and soft white sand beaches. Kayak, swim, or ride on a glass bottom boat or sign up for a zip line optional adventure!
- *Puntarenas* - the Pacific cruise port for Costa Rica, with a promenade near the beach.

Throughout our journey, there are optional shore excursion choices many days (you register and pay for the excursions on board ship). You will also savor the time on deck and when Star Clipper is under sail! It is a magnificent experience!

We invite you to join this wonderful adventure! Space is limited, so please contact Terri or Taunya right away, (800) 252 4910.
